SUBJECT: City of Duluth to declare snow emergency on February 22

BY: Kate Van Daele, Public Information Officer

Duluth declares snow emergency on February 22

[Duluth, MN] The City of Duluth has declared a snow emergency that will be in effect beginning at 1:00 pm, on Tuesday, February 22, and ending at 6:00 pm, on Wednesday, February 23, unless another snow emergency is declared. All vehicles need to be cleared from snow emergency routes by 9:00 pm today, February 22. Any vehicle that is still parked on a snow emergency route after 9:00 pm will be ticketed and/or towed at the owner's expense.

There are approximately 120 miles of snow emergency routes within the city. Emergency routes are typically major arterial streets and are clearly marked with signs. The snow emergency route map can be found at:

<https://duluthmn.maps.arcgis.com/apps/webappviewer/index.html?id=cd0b0b7c01b74b7c8c38e2871189ab1d>.

The City of Duluth has declared this Snow Emergency based on the cumulative effect of the current forecast and yesterday's snowfall.

Parking on Snow Emergency Routes is prohibited during a Snow Emergency. During a Snow Emergency, residents and visitors should park on residential streets that are not designated snow emergency routes. This week, alternate side parking is allowed on the odd side of the street and residents and visitors should abide by this parking schedule. As soon as the snow emergency has concluded, cars can again be parked on the snow emergency route, unless otherwise signed or unless a new snow emergency has been declared.

Optional snow emergency parking lots are available for vehicles and are on a first come, first serve basis. Snow emergency lots can be utilized for free parking during the Snow Emergency declaration. Residents and visitors can park for free in these designated lots starting at 4:00 pm today, until 8:00 pm tomorrow, February 23. A map of these parking lots, including newly added options in Lot N1 and N2 the University of Minnesota-Duluth, can be found here: <https://bit.ly/3sUh1iv>.

In declaring a snow emergency, plows will focus on keeping snow emergency routes clear until the snow stops falling. Plows will then work the timeframe provided in the City's Snow and Ice Policy. The timeframe, and policy, can be found at <https://duluthmn.gov/snow/how-the-city-plows-streets/>.

The City of Duluth appreciates the support of our residents to help keep our city safe until streets are cleared.
